

NATIONWIDE LIFETIME TRANSFERABLE WARRANTY

The NHOU® Warranty Program is designed to offer maximum corrosion protection within a disciplined maintenance program, for vehicle owners who want to keep their vehicles structurally sound and minimize damage caused by rust and corrosion.

The warranty is in effect for customers who follow the maintenance protection plan with the required cycles of inspection of the exterior undercoating and touch-up of NH Oil Undercoating to the body cavities every two years by an approved Factory Certified Applicator or Franchise. For customers who adhere to the maintenance protection plan, NH Oil Undercoating Inc. participating Factory Certified Applicators and Franchises will maintain the protective barrier on the vehicle's undercarriage for the life of the vehicle.

WHAT IS COVERED:

NH Oil Undercoating Inc. warrants the product we make to be free of manufacturer defects for the life of the vehicle. Participating Factory Certified Applicators and Franchises will maintain the wax barrier of protection up to a 1 sq. ft. surface area for the life of the vehicle. In most cases the maintenance will take less than 30 minutes.

WARRANTY EXCLUSIONS:

Touch-ups requiring an overnight stay due to significant surface area repairs (such as major accident damage) and compromised surface areas over 1 sq. ft. may fall outside the warranty coverage and additional charges may be incurred. Commercial use vehicles may be excluded.

This warranty shall be void if vehicle owner does not adhere to the prescribed maintenance protection plan, validated by maintenance records.

To process a warranty claim or find a participating Factory Certified Applicator or Franchise, contact NH Oil Undercoating Inc. at info@nhoilundercoating.com or call (603) 491-9012, Ext. 1.
